

# Mail Order Lines

DVD titles available from the Mid-Norfolk Railway Preservation Trust.

East Anglian branch and cross country lines in the 1960s with a wealth of archive DMU and diesel power from an age when green liveries dominated the traction scene. Includes: the St.Ives branch and the Norwich to Cromer and Sheringham lines. Sudbury to Marks Tey; scenes on the Sudbury to Haverhill and Shelford branch after closure in 1967; the cross country line through Newmarket travelling behind a type 3 diesel in the late 1960s; East Anglian freight in the 1960s including the Stoke Ferry branch; before and after scenes almost 40 years later
